

RESOLUTION NO. 2025-13

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALOUSE, WASHINGTON, adopting a fee schedule for public use of electric vehicle charging stations in public parking facilities owned or controlled by the city.

WHEREAS, the City Council of the City of Palouse is committed to promoting sustainable transportation options and supporting the adoption of electric vehicles within the community; and

WHEREAS, the City has installed and made available to the public an electric vehicle charging station within its parking facility; and

WHEREAS, it is deemed necessary to establish a fair and consistent fee structure for the use of these charging stations to cover operational and maintenance costs, as well as encourage responsible usage; and

WHEREAS, staff has conducted research regarding median electric vehicle charging fees in neighboring jurisdictions and considers the proposed fees to be reasonable and competitive;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PALOUSE, WASHINGTON, as follows:

Section 1. Adoption of Fee Schedule. The following fee schedule is hereby adopted for the use of the public electric vehicle charging station located at Heritage Park, a facility owned or controlled by the City of Palouse:

- Level 2 Charging Station: \$0.35/kWh

Section 2. Implementation and Review: The City Administrator is authorized to implement the adopted fee schedule. The fee schedule shall be reviewed periodically, at least annually, to ensure it remains fair, competitive, and supportive of the City's transportation electrification goals.

Section 3. Effective Date. This resolution shall become effective upon its passage and adoption by the City Council.

PASSED AND ADOPTED by the City Council of the City of Palouse on this 23 day of September 2025.
